

Taranaki / Wanganui Linked Repeater System

“The Great Western Link”

26/11/2019 (ZL2EI)

The activation of the Kaharoa Road on link (25/11/2019) allows all Taranaki repeaters linked to the Wanganui repeater. Coverage now from Awakino, Motueka, Kapiti, Horowhenua, Manawatu, Waiouru, Raetihi, and Taupo.

Note, The Opunake repeater (Oeo Rd) is presently off air. Expected to be relocated approx 20km NW to Kahui Rd later next year.
